

NORTHEAST DOMINICAN SIX

Vision Statement – Draft Version

- We will help each other recognize the interdependence of all life in the sacredness of Creation.
- We will journey together towards the religious life of the future.
- We will be bound to one another by the Dominican charism and mission.
- We will call one another to the integration of contemplation and study lived in a lifestyle responsive to the needs of our time.
- We will strive to become authentic preachers of God's healing presence in a fragile world.
